7 thread changes; 6 colors

A cute little sentiment (part of the Llama Drama collection) to embroider on medium weight linen, fleece or any T-shirt projects.

Hoop or "float" the project using medium weight cut-away stabilizer as a foundation.

Attach, pin or baste a topping (clear water-soluble stabilizer) for knitted/fleece fabrics.

Resize not more than 15%. Stitch a test-sample after resizing. Down scaling is not recommended.

Enjoy!
